School_Name: Metro State College

Author: Don Grissom

Email: adgrisso@att.net

Report_Date: 04-07-2004

Missions: VideoSat, RoverSat

Current_Progress: We have begun our construction for the rover and carrier. The electronics team have been making progress on the intergration and programming part of the project. Our design has been finallized and we are in production, working out the bugs as we go. We should be on target to finish by our deadline.

Upcoming_Milestones: June 15th finish construction

Current_Weight: 1.8 kg

Questions_Comments: n/a

Launch_Date: August 7, 2004
