2014 Colorado Robotics Challenge
Saturday, April 5, 2014

Schedule of Events

6:30 am  Suggested latest departure time for those staying in Alamosa. It is about an hour drive to the Dunes.

7:30-8:00  Teams arrive at the Dunes and check-in with the Organizers. Confirm your hardware is working as expected.

8:00  Official Start of the Challenge

8:00 – 8:15  Welcome from Great Sand Dunes National Park Service

8:15 – 8:35  Team & Robot introductions and Challenge

8:45 – 11:30  Open course challenge

11:30 – 11:45  Recognition of Division Challengers

11:45 – 12:30  Clean-up

Colorado Robot Challenge Rules and Reminders:

• LEAVE NO TRACE!!
• Ask questions of other teams and share your design and how you approached the Challenge.
• Bring snacks and water.
• Bring sunscreen, hat, and warm weather clothes and be prepared for changing weather during the event.
• No more than 2 robots on any course at any given time.
• You do not have to complete the courses in order (you are challenged to complete all courses).
• Check off your team before leaving course.
• Cheer-on and encourage all teams.
• Ask questions, take pictures, offer suggestions, but do not physically handle another team’s robot unless invited to do so.
• Judges will talk to each team during the day. Be ready to answer questions about your designs.
• LEAVE NO TRACE!! We will leave the area as if we were never there. This will take the effort of everyone in attendance.
