Due Thursday 03/15

Make sure your name is on the form
Mid Semester Team Evaluations…

- Team of six has **1200 points** (seven has 1400)
- You can give one **star** per sheet

Total = **1200 points**
Mid Semester Team Evaluations...

- Say not everyone is pulling their weight

Total = 1200 points
Mid Semester Team Evaluations...

- I take everyone’s scores and do the math, taking into account how self scoring compares to team score for you.

In-Class Mission Simulation Testing

Plus Spider if possible
Demo Day:

- One person per team come up with BalloonSat
- Line up
- Turn them on when I tell you
- Let them run (at your table) until end of class

- I don’t expect it to be fully operational
- I do expect it to do something
- It must do everything by this time next week
